### NORTH CAROLINA FARMER WANTS ALL TO KNOW.

"My Wife Suffered So She Could Not Rest at Night; Dreco Cured Her," Says Noah Goodwin.

Backache, rheumatism, urinary disorders, are caused from weak, inactive kidneys, which fail to filter out the impurities and keep the blood pure and the only way on earth to permanently and positively cure such troubles, is to remove the cause.

The great herb medicine, Dreco, accomplishes this because it reaches the very roots of this disease. It soaks right into the stopped up, inactive kidneys through the walls and linings, cleans out the little filtering cells and glands; neutralizes and dissolves the poisonous acid substances and drives all the waste matter out of the system.

"My wife suffered so she would not rest at night," declares Noah Goodwin the well known farmer of Elmwood, N. C., in a signed statement. "She had bad pains in the back and limbs and loss of sleep made her nervous and greatly run down.

"On the advice of a friend she got a bottle of the new herb medicine, Dreco, and after taking only half a bottle the pains were relieved and now she rests fine at night. I think Dreco a wonderful medicine and have asked my druggist to get some in stock so I can buy more and send my friends to him for it."

So sure, so positive, so quick and lasting are the results obtained from the use of Dreco, that three doses a day for a few days are often all that is required to correct the worst case of backache or rheumatism, regulate the most annoying bladder disorders and overcome the numerous other similar conditions.

You can obtain an original package of Dreco at trifling cost from almost any first class drug store. It is dispensed and particularly recommended in Newberry Ly Gilder and Weeks.

# HUGE PIANO SALE. BARGAIN PRICES.

## From Seventy Five to One Hundred and Fifty Dollars Reduction in Price of Pianos.

**SIXTY PIANOS TO BE SOLD AT ONE PRICE, REGARDLESS OF FORMER PRICE.** The cheapest piano I have sold for months has been for \$350.00. I have now on hand sixty pianos which I expect to sell by Christmas. Several of these pianos are priced \$500.00, several others \$475.00 and most of them \$450.00. I want state wide notoriety in my business, and beginning Monday, November 25th, at exactly 11 a. m., and closing Saturday night, December 21st, I am going to sell every piano I have at \$3.50. I have now only six pianos on hand, the price of which is as low as \$350.00, so there is no possible chance to get less than the value of your money.

This is no trick to sell a lot of inferior pianos at extra values. I will mail anyone a stock list with regular prices printed on them so that you may know the make of the piano and the regular price at which it is sold. Those who come first will get the best values. My sole object in having this special sale is to sell the largest number of pianos in one month of any one man in the State, and to advertise my business thereby.

In April the government cut the piano production 30 per cent. on account of the great need of spruce lumber for making aeroplanes. Later the steel for plates was cut one-third of the 70 per cent then allowed, and recently the government has taken charge of all the piano felt. It is the general belief, as expressed by piano manufacturers that pianos will advance still higher. Some of the pianos I have in stock have advanced 30 per cent. since I bought. These conditions accentuate the bargains offered in this advertisement.

Nearly all pianos have advanced \$50.00 since early spring. I contracted for all the pianos that I have on hand prior to April, 1918, and on account of buying last winter, I am enabled to sell at the price mentioned. Most of the makes I have are household words throughout America and other continents. I give below a few names of makes:

- |                     |                |                       |
|---------------------|----------------|-----------------------|
| Estey Piano Company | Chase Brothers | Kroeger Piano Company |
| Starr Piano Company | Bush & Gerts   | Adam Schaaf           |

All of these are strictly artistic instruments and stand in the foremost rank of standard pianos. Come and take your pick, one price on every instrument and the same to every one. All pianos will be sold from the store and no high salaried expert piano salesmen will have to be paid and no commissions will be received by anyone. The customer will reap the benefit. I have the largest stock of pianos of any one concern in the State. I am sole owner and manager and have to consult on one about what I do.

Price on players will not be reduced with the exception of three players. I have only a few players now unsold.

Three Krell Auto Grand Players, worth \$750.00 will be sold at \$550.00. Two years time given on the following makes: Richmond, Trayer & Remington. All others must be paid for in twelve months.

Gilt edge securities taken in full or part payment. Any of these pianos sold on terms payable inside of 12 months, with 8 per cent. interest added to amount carried over. No difference between cash and time except the interest on the money. One man's money is as good as another's, and if your note is not good I don't want it. Where credit is desired, satisfactory bank references must be given.

All of these pianos are fresh stock, brand new. Besides these, I have one Carlisle piano in oak at even \$298.00 and two shop worn Remington pianos at \$298.00. Two Estey pianos are in circassian walnut, all of the others are in mahogany. This is the opportunity of a life time, to get a piano at a great bargain. No old instrument traded for on this proposition. Write at once or call for stock list of these bargains.

## Reasons!

Why you should use Cardui, the woman's tonic, for your troubles, have been shown in thousands of letters from actual users of this medicine, who speak from personal experience. If the results obtained by other women for so many years have been so uniformly good, why not give Cardui a trial?

### Take CARDUI

#### The Woman's Tonic

Mrs. Mary J. Irvin, of Cullen, Va., writes: "About 11 years ago, I suffered untold misery with female trouble, bearing-down pains, headache, numbness... I would go for three weeks almost bent double... My husband went to Dr. for Cardui... After taking about two bottles I began going around and when I took three bottles I could do all my work." E-80
